

RIGHT YET WRONG

MATTHEW 10

Text:

Introduction:

Is it possible to be almost right, and yet still be wrong? For instance, a pitcher for a baseball team can get almost everybody "out" and just make a few wrong pitches, and lose a game.

In a conversation it is possible to say many right things and yet say one thoughtless remark and ruin the whole conversation.

We as Christians can do many good and right things, and yet destroy our testimony with one sinful act.

In our text this young man did many right things, and yet did one wrong thing that cost him his soul.

**1. HE CAME TO THE RIGHT PERSON. (JESUS)
(16)**

2. HE ASKED THE RIGHT QUESTIONS (16, 20)

**3. HE RECEIVED THE RIGHT ANSWERS (17-19,
21)**

4. HE MADE THE WRONG DECISION (22-26)
